

**BOONE COUNTY WATER RESCUE
MONTHLY REPORT**

December 2008

GENERAL ACTIVITIES

- 1. 1 Team meetings, Port Security meetings, various dive equipment meetings.**
- 2. Beginning stages of preparing the 2009-10 budget on going**
- 3. Working on our building project on going, all boats and vehicles are now under roof.**
- 4. Various meetings with Campbell County Water Rescue Chief Joe Davis on the proposed merger on going.**
- 5. Winter preparations for boats and equipment completed.**
- 6. Submitted Port Security grant application for Hazmat diving equipment and a ROV with sweeping sonar.**
- 7. Update on boat 218: the boat should be completed by mid January and the computer system and radar system will be installed at headquarters.**
- 8. We have been contacted by the United States Naval Air Warfare Center Weapons division, in China lake California requesting our help in setting up there search operations system like ours using side scan sonar and underwater camera operations. Sgt. Ken Purcell designed, programmed and has built a system that enhances recovery operations concerning imaging, and the ability to transmit underwater operations to other boats, command centers anywhere within 4 to 5 miles.**
- 9. Detail: Kenton County city of Villa Hills. A body was discovered lodged in a drift pile. We untangled the victim and cleared the drift around the body and removed the victim for Villa Hills PD.**
