## Divers recover woman's body from Norris Lake

Associated Press - September 22, 2008 8:15 AM ET

LAFOLLETTE, Tenn. (AP) - Divers recovered the body of a woman thrown from a boat earlier this month in Norris Lake.

The Knoxville News Sentinel reported divers recovered the body of Kristin Kleizo from about 100 feet of water on Saturday.

Kleizo was thrown from the boat on Sept. 9 when it hit rough water near the Powder Mill Boat Ramp in Campbell County.

Authorities said she wasn't wearing a life vest.

A spokesman for the LaFollette Rescue Squad said the Boone County, Ky., dive and rescue team located Kleizo's body on Saturday with sonar and camera equipment.

Divers with the LaFollette Rescue Squad recovered it.
